

WHO IS THIS FOR?

Every young, practicing Catholic man who loves Jesus Christ and His Church should ask God to reveal His will for his life. That means that every young, practicing Catholic man should spend some time discerning priesthood – even if the end goal is to find that God is not calling you to be a priest!

BUT I LIKE GIRLS AND WANT TO DATE!

Just because you ‘like’ girls doesn’t mean God might not call you to be a priest. God calls healthy, properly ordered men to leave all and follow him. If you wouldn’t make a good husband and a good father, you wouldn’t make a good priest!

BUT I AM UNWORTHY . . .

Just because you ‘feel’ unworthy, doesn’t mean God might not be calling you. God doesn’t call the qualified, He qualifies the called!

Come and See. Join us for the Melchizedek Project. It will help you understand what the priesthood is, how to know what God’s will is for your life, and what you are supposed to do about!
